Saddam Hussain belongs to poor community. He is elder son of his father; they are seven family members having 2 brothers and 3 sisters. He was working along with his father as daily wager in their village. But they were unable to fulfill the daily expenses of their family. In low income he could not manage the education, Health and food requirement of his family

Mr. Saddam Hussain was selected for assets through ASSA poverty score card through validation of their concerned VO and CO..

"I was pleased to hear that my name is included in the assets list. My hope remains alive for the survival said Saddam Hussain "

After entitlement of the package he was trained on enterprise development and was well equipped with the basic tools and techniques of the business and enterprise. Saddam Hussain received **Karyana** package amounting to Rs, 50,000/ and he started the business with new determination.

"After Four days training I learn all the tips of enterprise. That was the happiest day of my life that EPS selected me on the bases of poverty. I started the enterprise with new determination. The package gives me courage to start the enterprise. Said Saddam Hussain"

Mr. Saddam Hussain received package in the month of March,2016. After receiving package he developed linkages with local market and customers. He identified the needs and converts his enterprise to Business. In addition to Karyana he started to bring Ice from Mingora and started to sell in the local area. Further he also started selling of

Chicken (broiler) in his shop. He also pointed out that for the first two months he was not spending the earning in his home expenses and was using the daily profit to bring karyana for his shop.

Mr. Saddam Hssain added that now I am earning 10000-15000 per month from my Business and after 6 months the total assets in the shop is worth Rs. 120,000/=

“Thanks to almighty ALLAH EPS staff and PPAF they support me in the journey from ultra poor to Self reliance. Now I am capable to support my family education health, The transparent assessment the quality training and timely support win my heart. The final comments of the Saddam Hussain”
