

Terms of Reference for Poultry farming Training in Livelihood Enhancement & Protection (LEP)

Environmental Protection Society (EPS) is a local, non-political, non-ethnic and non-religious organization working in the Khyber Pakhtunkhwa since 1991. During its 25 years life, the Society accomplished a number of mile stone in Social Mobilization/institutional development, WASH, Livelihood, Community Physical Infrastructure Schemes, Health, Education and Disability. During this period EPS completed successfully more than 70 projects in partnership with national, international and UN agencies. EPS played its active role in relief, rehabilitation and early recovery phases during earthquake, conflict and flood of 2010.

Environmental Protection Society (EPS) entered into partnership with PPAF in 2010. The project aimed to target the ultra poor and vulnerable poor of the three union councils Kuza Bandai, Totano Bandai and Kanju in Tehsil kabal of District swat. It has accomplished social mobilization with community institutions and is in place. Organizations (COs, VOs and LSOs) were formed. Community resource persons were trained, assets transferred to individual as well as groups. Individual and collective enterprises were established. These interventions are further supported with interest free loans provisions to individuals in the union council of Kuza Bandai , Totano Bandai , Hazara & Kuz Abakhiel.

EPS and PPAF has signed an agreement for implementing a Social Mobilization, livelihood Enhancement and protection , Establishment of Basic Educational and health services ,CPI program under PPR project in two Union Councils Hazara & Kuz Abakhiel of tehsil kabal swat. This project started in July 2015 and ended in September 2016. Later the project extended up to June 2018. The current project is aimed to provide different trainings to community activists, and resource persons. Agriculture Training (*kitchen gardening*) is one of the deliverable of the project.
